

# 10 WAYS YOU CAN PUT A *Family First* THIS GIVING SEASON

## DRIVE INDEPENDENCE AND SELF-SUFFICIENCY:

### 1. EMPOWERMENT

**Suggested Donation: Monthly gift of \$250 or one-time gift of \$3,000**

Haitians have very limited access to basic social support services, leaving families with no help (or hope) to overcome generational poverty and dependency. Your support will enable our licensed Haitian Social Workers to strengthen families through evaluations, counseling and workshops that improve their well-being on their journeys to self-sufficiency.

### 2. EDUCATION

**Suggested Donation: Monthly gift of \$50 or one-time gift of \$600**

A family's inability to pay for schooling is a leading reason parents relinquish their children to orphanages. You can stop this unnecessary breakdown of a family by supporting a scholarship for a vulnerable child.

### 3. NUTRITION

**Suggested Donation: Monthly gift of \$150 or one-time gift of \$1,800**

Programs like our Diri Lavi! food packaging program and our community farm programs are empowering Haitians every day. Your support can enable families to have long-term food security and a source of income for their families.

### 4. HEALTHCARE

**Suggested Donation: Monthly gift of \$75 or one-time gift of \$900**

In most of the rural communities we serve, families are unable to access even the most basic healthcare services. When you support our mobile clinics, you are ensuring families have access to quality medical care, public health education and mental health counseling.

### 5. HOUSING

**Suggested Donation: Monthly gift of \$100 or one-time gift of \$1,200**

Housing in Haiti has traditionally consisted of tin and tarp, leaving families at the mercy of wind, weather, earthquakes, mudslides and other natural elements year-round. You can restore a family's dignity by providing the resources for a safe home while, at the same time, creating a working community!

## TAKE A STAND FOR FAMILIES:

### 6. SAVE THE DATE

Giving Tuesday is November 28. **Join us in raising \$10,000** to provide 100,000 Diri Lavi! meals for families facing extreme hunger. Together, we can empower Haitians to create their own food security!

### 7. SPREAD THE WORD

Join us as a champion for an independent and self-sufficient Haiti by introducing our mission and programs to your own networks, and sharing with them why building a stronger Haiti starts with putting **Family First**.

### 8. INVITE US TO SPEAK

Information is power and we want to keep you informed! One way we keep our supporters updated is through hosting virtual or in-person info sessions, and we'd welcome the opportunity to get in front of your group. Email us at [info@oohaiti.com](mailto:info@oohaiti.com) to learn more.

### 9. INVEST IN OUR WORK

You can make a difference through creative giving options like gifting stock, donating directly from your individual retirement account or including Overture in your legacy planning. Your support matters to Haiti now and in the future.

### 10. PRAY

Your prayers have an impact! We invite you to commit to praying every day for Haiti and its families.

*"Do not be anxious about anything, but in every situation, by prayer and petition, with thanksgiving, present your requests to God."*

- Philippians 4:6
